Subject: 2023 TOWARDS SUSTAINABLE MINING – EXTERNAL VERIFICATION

Dear Mr. Dimaculangan,

FCF Minerals Corporation provided verified information to the Chamber of Mines of the Philippines (COMP) with respect to the Company's Towards Sustainable Mining (TSM) Performance Indicators. We are pleased to present this letter of assurance regarding the 2023 TSM verification results for our Runruno Operation.

The TSM Verification Service Providers (VSPs) led by Mr. Joey Ayson, Engr. Michael Cabalda, and Miss Katrina Francisco were able to successfully evaluate and verify FCF's compliance to the requirements and parameters set out in the Eight (8) Protocols conveyed in the Verification Summary Report.

Therefore, with this letter, we support the results of the external verification.

Rest assured FCF Minerals Corporation remains committed to working productively in partnership with your Chamber to continually demonstrate its commitment to responsible mining.

Sincerely,

LORNE HARVEY
